Samples of cover

A photograph of the Golden Gate Bridge in San Francisco, viewed from a high angle looking down the length of the bridge. The bridge's red-orange towers and suspension cables are prominent against a hazy, golden-hued sky. The water of the bay is visible in the background, with some distant hills and city buildings. The bridge deck is filled with cars, and the overall scene is bathed in the warm light of a low sun, creating a misty or foggy atmosphere.
